Distribution agreement with Spain drone manufacturer Linking Drones

AirMobility Inc. (Minato-ku, Tokyo, Japan; President & CEO: Takashi Asai) has reached an agreement with Spanish drone manufacturer Linking Drones (Madrid Spain; CEO: César Serrano Montero) to distribute in Japan.

Linking Drones drone "Linking One"

In recent years, demand for delivery drones in Japan is increasing. To meet these evolving needs, AirMobility Inc. (Minato-ku, Tokyo, Japan; President & CEO: Hisashi Asai) is proud to support Linking Drones, a leading Spain drone manufacturer, in introducing their cutting-edge drones to the Japanese market.

Linking Drones drones are known for their exceptional versatility and their proven performance demonstrates their capability to serve industries such as delivery marketing across Japan.

Leveraging our extensive Japanese network and deep relationships across key sectors, AirMobility has carefully evaluated global drone technologies. We are confident that Linking Drones innovative solutions will address the growing demand for high-performance, delivery drones in Japan. Together, we aim to accelerate the adoption of these advanced systems to support delivery industry across Japan.

■ Comment from AirMobility, Inc. President & CEO Hisashi Asai

"We are excited to partner with Linking Drones to offer their high-performance delivery drones for Japanese drone delivery market.

■ Comment from Linking Drones, CEO César Serrano Montero

“Entering the Japanese market alongside our trusted partner, Air Mobility, marks a key milestone in expanding our footprint in Asia. We’re proud to bring our technology to support Japan’s rapidly evolving delivery and healthcare ecosystems”.

【Company Overview】

Company : AirMobility Inc.

Business content : Provides a platform for the safe and secure navigation of eVTOL and industrial drones. We have also established a platform to support the entry of foreign eVTOL and drones into the Japanese market. In addition, we have built and operates “AeroMall (<https://aeromall.jp/>)”, a matching site for overseas airframe manufacturers and Japanese parts manufacturers, and “AeroBuy (<https://aerobuy.jp/>)”, a sales site for industrial drones, “Aerostaff (<https://aerostaff.jp/>)”, a website for finding drone pilots.

Management: President & CEO Hisashi Asai

Address: Strong Akasaka Bldg. 9F, 3-5-5 Akasaka, Minato-ku, Tokyo, Japan
